TO: Lieut.Col.E.W.Ryan,  
FROM: Captains E.J.Valdes and L.G.Patterson  
SUBJECT: Russian Prison Camp at Tauberbischofsheim

At the suggestion of the officer in charge of the evacuated camp at Wurzburg, we visited General Sickel in Wurzburg who is in charge of all the camps of the region. He received us very courteously and informed us that the prison camp at Tauberbischofsheim had been evacuated. He very kindly furnished us an interpreter, and the papers necessary to visit the camp at Aschaffenburg.
